We found crisp packets, cans and sweet wrappers on the ground.

We used grabbers and collected the litter in our clear plastic bags.

Mrs Walsh told us there was less litter
this year than last year!
We had new bins put outside our school.

We collected lots of litter.

We worked as a team!

We do lots at Palfrey Infants to teach us about the environment.

We learn in Palfrey Park.

We have just started Forest School in EYFS

We are taking part in the 'WASUP' Walsall Against Single Use Plastic Campaign

WALSALL AGAINST SINGLE USE PLASTIC

PESTICIDES **DIOXINS** **CHEMICALS** **TOXINS**

Plastic is killing our marine life. The fish we eat can potentially harm us due to our discarded micro-plastic finding its way into the food chain.

- Avoid litter especially plastic which eventually reaches the oceans;
- Use re-usable water bottles
- Use re-usable shopping bags
- When drinking avoid plastic straws/cups

ALL THIS WILL SAVE OUR FUTURE GENERATIONS

We went to the Blue Coat Festival
We told everyone about our litter pick.

Pick Up Litter Song

(To the tune of : If you're happy and you know it)

If you see a piece of litter, pick it up!

If you see a piece of litter, pick it up!

You will make the world look better

If you pick up the litter

If you see a piece of litter pick it up!

So remember look after Our World
and pick up litter so we can enjoy it for
generations to come.
