

As members of Palfrey Infant School we aim to show care, support and respect for all and encourage everyone to do their best.

We will value all members of our community.

We will treat the whole school and everything in it with care.

We will come to and leave school with a known adult.

The school will

The school will do its best to:

- Provide an environment which has been risk assessed in response to the COVID-19 infection
- Adhere to the social distancing rules as set out by the government as much as we reasonably can;
- Provide a curriculum that meets the needs of your child's well-being, mental health and academic needs;
- Contact parents/carers if your child displays symptoms of COVID-19;
- Inform you if staff or children in your child's 'pod' show symptoms of COVID-19 as this will mean you will all need to self-isolate for at least 14 days or until the test comes back negative;
- Continue our clear and consistent approach to rewards and sanctions for children as set out in the Behaviour Policy as well as the expectations outlines in this agreement;
- Communicate between home and school through, text, School Comms App, the school website and social media.

The Family will

To help my child at school, I know and understand that:

- If my child, or anyone in my household, shows symptoms of COVID-19, I will not send them to school, we will self-isolate for 14 days as a family, I will get them tested and I will let the school know as soon as possible via telephone;
- If my child, or another child in the group, shows symptoms of COVID-19 at school, I will collect my child from school immediately;
- On my commute, and when dropping my child off and picking them up, I will adhere to the 2 metre social distancing rules.
- When dropping off and picking up, I will strictly stick to the school timings for my child;
- My child must not bring any items into school with them or take items home from school;
- My child will have their temperature taken during the day if they feel or present as being unwell
- I will need to remind my child about social distancing rules but accept they are difficult to follow and that my child may not always do this successfully
- My child will need to use good respiratory and hand hygiene;
- I will not be allowed into the school without a pre-arranged appointment – make appointments via telephone or email. I understand appointments will only be given if a meeting cannot take place remotely by phone;
- I need to support all staff in their efforts to create an 'as safe as possible' environment during this crisis;
- I need to read all letters/messages/emails that are sent home;
- I need to inform the school immediately of any changes to parents/carer and emergency contacts details.
- If my child is deemed unsafe, he/she will be sent home and cannot return to school until they can be safe.
- Notify school if my child is taking part in after school activities

The child will

I will do my best to:

- Adhere to the social distancing rules in class and in the playground;
- Tell an adult if I feel unwell;
- Not bring things into school from home, or take things home from school;
- Only use the equipment provided to me by school and no other;
- Not mix with any other children in the school;
- Only enter and exit the school building from the designated gate/entrance;
- Follow good respiratory hygiene: coughing and sneezing into elbow or tissue (catch it-bin it-kill it);
- Follow good hand hygiene – use soap and water for 20 seconds/ hand sanitiser;
- Behave well at all times to maintain the safety of myself and others;
- Follow these expectations and know that if I don't, I will be sent home and will not be able to come back into school until I can be safe.
